SCHEDULE OF PROGRAMMES:

JANUARY—DECEMBER 2026

(RETREATS, TOUR PROGRAMMES, AND COMMEMORATIONS)

Dear Divine Atman,

With utmost joy, we inform you that YSS *sannyasis* will conduct various functions and retreats during January-December 2026 to give classes on the meditation techniques and *how-to-live* principles taught by Gurudeva Sri Sri Paramahansa Yogananda, and conduct Kriya Yoga *diksha* ceremonies for eligible devotees. These functions provide a wonderful opportunity for the sincere *sadhaks* to withdraw their attention from the ceaseless activity of everyday living, and focus it on the Inner Silence, and thereby drink the nectar of God's peace and bliss.

As every spiritual event gives a new stimulus to our *sadhana*, your participation in these events will rekindle your spiritual enthusiasm and will also help you to experience the joy and blessings that come from meditating with and being in the company of other earnest seekers. During these events, you may also avail yourself of the guidance of YSS *sannyasis* in the application of Gurudeva's teachings in your daily life.

These retreats will include group meditations and spiritual discourses by Yogoda Satsanga *sannyasis*. Participants are urged to maintain silence during the retreat to deepen their attunement with Gururji, and to build their inner environment.

For information on conducted retreats held at various retreat centres during different times of the year, please refer to yssi.org/retreats.

DWARAHAT PROGRAMMES

On the occasion of Mahavatar Babaji's Smriti Divas, there will be a one-day function on July 25 at Dwarahat. A small procession Shoba Yatra (around the ashram), special meditation, and bhajan session will be conducted at the ashram on this special day.

There will be three retreats organized at the ashram: February 13-15 (Hindi), September 28-30 (Hindi with Kriya Yoga *diksha* on Sep 30) and November 20-22 (English). Those devotees who wish to visit Babaji's cave should plan to stay for one extra day before or after the programme, and therefore should plan to arrive two days before, or depart two days after the programme. Devotees who are above 70 years old, or below 15 years old are requested to visit the ashram at other convenient times rather than for this event.

DHYANA KENDRAS AND MANDALIS

Group meditation is a castle that protects the new spiritual aspirants as well as the veteran meditators. Meditating together increases the degree of Self-realization of each member of the group by the law of invisible vibratory exchange of group magnetism. We encourage you to attend the group meditation in the nearby kendra/mandali. The list of centres across India is available on the webpage: ysofindia.org/list-of-centres.

ONLINE PROGRAMMES

In addition to the in-person events, our *sannyasis* lead meditations, commemorations, retreats, and also give *satsangas* on our Online Dhyana Kendra (ODK). We also offer devotee-led meditations in several Indian languages including Hindi, Kannada, Malayalam, Tamil, Telugu, and Bengali. ODK also offers a devotee-led bi-weekly YSS Lessons Study Group in English. For more information and to join online, please visit yssi.org/odk

We hope that your attendance and participation in these programmes will bring many spiritual blessings to you and your loved ones.

May you draw inspiration from Gurudeva's counsel: "Millions of people live a one-sided life and pass on in incompleteness. God has given each of us a soul, a mind, and a body, which we should try to develop uniformly. If you have led a life dominated by worldly influences, do not let the world impose its delusions on you any longer. You should control your own life henceforth; you should become the ruler of your own mental kingdom. Fears, worries, discontent, and unhappiness all result from a life uncontrolled by wisdom."

May you grow daily in the love and joy of the Divine.

In divine friendship,
YOGODA SATSANGA SOCIETY OF INDIA
