Camp Overview: What, When, Where, Why

Camp Announcement: yssi.org/SolanCamp

Camp Application: yssi.org/SolanCampApp

1. What is the YSS Camp for Children & Teens?

The **YSS Camp for Children & Teens — 2026** is a residential spiritual and character-building camp designed by the monastics of Yogoda Satsanga Society of India (YSS). The programme is rooted in the **How-to-Live teachings of Paramahansa Yogananda** and aims to help young participants develop inner awareness, positive values, and meaningful friendships with other spiritually inclined youth.

The camp combines meditation, inspirational learning, outdoor activities, creative sessions, and group fellowship.

2. When and where will the camp be held?

Camp Programme: May 31 – June 6, 2026

Check-in Date: May 30, 2026

Location: Shoolini University, Solan, Himachal Pradesh

Shoolini University is located in the Himalayan foothills about **two hours from Chandigarh** and provides a safe, serene, and well-equipped campus for residential retreats.

3. Is this an ashram-based camp? Why are we not doing it in the Ranchi or Noida ashram?

No. The camp will be held at **Shoolini University campus**, which has hosted several YSS retreats in recent years. The campus facilities and support are being extended to YSS by devoted Kriyaban members associated with the university.

Due to construction and space constraints at the ashrams, and because we want to hold a spiritual camp for a larger set of children and teens (200+), and want to conduct the camps for girls and boys simultaneously in a week that is convenient for many children all over India, we are trying out a new venue which has many benefits of space, facilities and location - very conducive for a spiritual camp.

Shoolini University campus and location help us to provide many nature-based and outdoor activities that Guruji recommended as an essential element for a balanced routine conducive to the growth and nurturing of children.

Eligibility & Participants

1. Who is the camp for?

The camp is open to:

- Children and teens **aged 12–17 years**
- Children of parents who are **YSS Lessons students** (children need not be YSS Lesson members)
- Children with previous experience in **Children's Satsanga or Teen Satsanga** conducted at YSS ashrams and centers or online.

Separate camps will be conducted simultaneously for **boys and girls** in different parts of the campus.

2. How is the camp structured?

Approximately **108 boys and 108 girls** are expected to participate.

Campers are divided into **small groups of about nine participants** to ensure individual attention and support.

Each group includes:

- Group Leader (GL)
- Assistant Group Leader (AGL)
- Staff-in-Training (SIT) — a young devotee aged 18–22

This structure ensures close supervision and a supportive group environment.

3. What does a typical day at camp include?

The day starts at 6 a.m. everyday from 31st May with wake-up, quick meditation and getting ready and ends at 9:30 p.m.

On May 31 morning, there will be a special orientation with the monks after breakfast and icebreaking and bonding activities before jumping into the rest of the activities.

On Jun 6 morning, campers will load their luggage, meditate, have breakfast and review highlights of the camp together, say “bye-byes” to each other and will board buses to get back to the points where they got dropped off by their parents.

Daily activities include:

- Morning and evening **meditation practices**
- **How-to-Live classes** based on Yoganandaji’s teachings
- Outdoor and nature activities
- Arts, crafts, and sports
- Evening activities such as stories, bhajans, or inspirational films
- Meals, snacks, and group fellowship
- Hygiene and cleanliness routines

The schedule follows the five-point plan for a happy and balanced living that Guruji outlined in the *YSS Lessons*. Children who attended YSS camps in previous years have spoken of the benefits they received in terms of **spiritual learning, fun, and personal growth and transformation.**

4. Can an older teen attend the camp and volunteer at the same time?

Participants aged **12–17 attend the camp as campers** and participate fully in the camp schedule as designed for them.

Young adults approximately aged **18–22 may serve as Staff-in-Training (SITs)** or volunteers if selected.

Selection criteria for **Staff-in-Training (SITs)**:

- *YSS Lesson* students
- Previous regular attendance at YSS Children/Teen Satsanga programmes
- Previous attendance at the YSS Young Sadhak Camp/Sangams
- A desire to get trained, learn, and serve children and teens in future camps as an assistant group leader or a camp organizing role
- A willingness to follow instructions and work diligently and well as a team with Group Leaders and other SITs

Check-in & Arrival, Checkout & Departure

1. When should campers arrive at the camp?

The **official check-in date is May 30, 2026.**

It is mandatory for all the campers to check-in at the camp by 5pm on May 30 (Saturday) - so that campers have a chance to acclimatize, get to know their group and group leaders before they dive headlong into the schedule from 31st early morning. Campers who join late can feel disoriented and may take time to integrate into the camp.

Activities for campers in the afternoon and evening of May 30:

- Check-in and registration procedures
- Room allocation and settling in
- Meeting group leaders and volunteers
- Orientation for participants
- Adjusting to the hill environment and altitude

Parents may choose to drop their child at Shoolini University or at designated drop-off points at YSS Noida Ashram or YSS Chandigarh Kendra, where YSS volunteers will accompany the campers to the campus. Please refer to the “Drop-off, Pick-up & Transportation” section below for full details.

2. When should campers leave from camp?

June 6 (Saturday) 10 am onwards.

On June 6 morning, campers will load their luggage, meditate, have breakfast and review highlights of the camp together, say “bye-byes” to each other and will board buses to get back to the points where they got dropped off by their parents.

Campers will return to the same location where they were dropped off, with transportation arranged by YSS volunteers where applicable.

Please refer to the “Drop-off, Pick-up & Transportation” section further below in the document for full details.

Fees & Expenses

1. What is the camp fee?

The registration fee is ₹5,000 for the full 7-day residential programme.

The camp fee covers:

- Accommodation
- Three meals per day
- Snacks and refreshments
- Camp activities

2. Are there any additional expenses?

Transport to and from Shoolini University, Solan, is not included in the registration fee. However, please check with the Chandigarh Kendra and the Noida ashram for any arrangements being made by volunteers that your child can avail themselves of.

Participants **do not need to carry extra money**, as the campus is a structured environment and all arrangements are provided.

Please check the packing list for the camp to determine if there are any additional purchases to be made (for example: hiking shoes)

3. Is financial assistance available?

Yes. Financial assistance is available for eligible participants who may not be able to afford the camp fee.

For parents who cannot afford the camp registration fee of Rs. 5000, there is a provision for financial assistance of a reduction up to 50% to a limited number of campers.

- The fee helps to defray the cost of accommodation, meals, and facilities to be paid to Shoolni University as well as for transportation and camp material costs borne by YSS .

Parents who wish to avail themselves of this financial assistance may [please fill this form](#).

This form will be reviewed by YSS *sannyasis* and if approved, you will hear back from the YSS Help Desk team with a special registration link with a discounted fee.

Application & Registration Process

Two steps: Application & Registration...

1. What is the registration process for children?

The process for the YSS Camp for Children & Teens – 2026 includes **two steps: application and registration**.

Step 1 – Application Stage

- Parents (along with their child/teen) first complete an **application form** where basic information about the child is collected.
 - Sample application form: [Link](#)
 - Live application form: yssi.org/SolanCampApp
- The organizing team reviews the information to ensure that the camp is a good fit and to prepare appropriately for each participant.
- Once the application is approved, parents will receive access to the **camp registration link** through the **YSS Devotee Portal**.
-

Step 2 – Registration & Fee Payment

- Parents will sign the consent forms and then complete the registration and pay the camp fee.

Note:

There is no public YSS event page for the YSS Camp for Children and Teens, because registration for this event is through an application process. Those campers whose application is approved get the link to register for the event.

2. Why is there an application form this time?

The application form helps the organizing team to check (i) whether the child is open to attending the camp (in addition to parent interest), (ii) if the camp conditions match the child's health and fitness, and (iii) ensure that the camp team is equipped to provide due care to each of the child who joins the camp before confirming their participation.

Overall, the application process is intended to help ensure that the camp is a **safe, supportive, and well-prepared environment for every child/teen.**

3. Could my child be rejected based on the application?

In most cases, the application form is **not meant to reject children**, but to gather relevant information and ensure preparedness.

Historically, children from YSS families and those familiar with Children's or Teen Satsanga activities have been a very good fit for the camp.

The form primarily helps the organizing team understand any special needs and prepare appropriate support where required, and to have additional helpful conversations upfront with the parents.

4. Can my child's friend also apply for the camp?

Yes. Children may apply along with their friends, provided they meet the eligibility criteria:

- Child whose parents are **YSS Lessons students**
- A child who has regularly attended **Children's Satsanga or Teen Satsanga**,

Attending with friends often helps children feel more comfortable and enjoy the camp experience. However, children who are not exposed to the YSS way of life through their parents or through Children/Teen Satsanga may not integrate well with the routine of the camp.

5. Can I fill the application form for my nephew, niece, grandchild, or another child I know?

The application form must be filled by the **child's legal guardian**, usually one of the parents, so that they are authorized to provide consent on behalf of the child.

If you would like a niece, nephew, or grandchild to attend, the best approach is to request their **parents to complete the application form themselves**.

If the parents are not YSS *Lessons* students but the child is spiritually inclined and interested (and had previous Children/Teen Satsanga experience), families may contact the **YSS Help Desk** for guidance.

6. What if parents need help filling the application form?

This structured process helps ensure the camp team is prepared to support every participant.

Instructions for Filling the Application Form

The application form has **two sections**.

Both sections must be completed before submission.

Section 1 – Camper Information

(To be filled by the child/teen attending the camp)

This section includes:
